

As a local resident I have to say K-LOVE radio is the #1 service that I receive. It is the most encouraging thing brought on the radio that I have ever experienced. If K-LOVE is taken off the air it would have a detrimental effect not only on me but dozens of my friends. IT IS IN THE PUBLIC INTEREST to keep K-LOVE on the air. Can I beg you to keep it? Plead with you? I will do whatever it takes to keep K-LOVE on the radio. I feel that strongly about the influence it has on me and my family (wife and 2 children)
